Talking Trust-Based:
Creating spaces for honest conversations between funders and community nonprofits

What <u>stood out to you the most</u> from the feedback shared by nonprofit partners? What does this illuminate about your institution's practices — and about how you personally relate to your grantees?
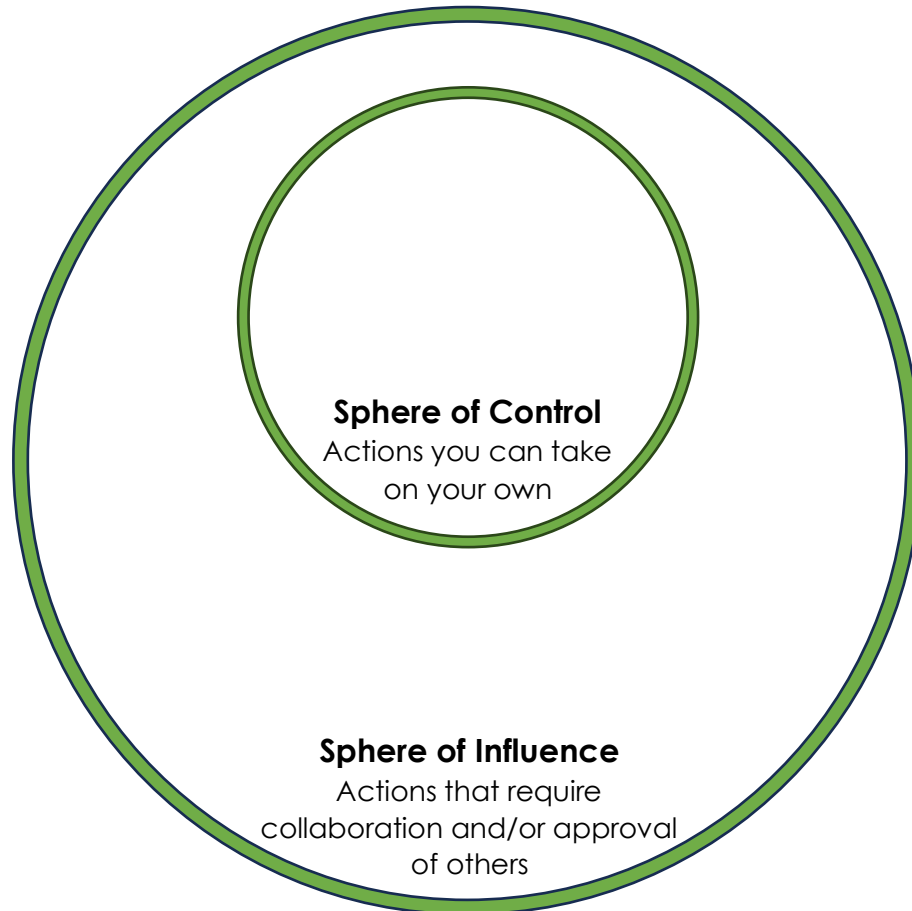

What <u>ideas were spurred</u> that might improve funding relationships?

Additional Notes

Action Commitments

What actions will you implement or advocate for to build more trust-based relationships with nonprofit partners? Include actions you can take within your own sphere of control, as well as institutional policies and practices you might influence.

Sphere of Control
Actions you can take
on your own

Sphere of Influence
Actions that require
collaboration and/or approval
of others

Potential challenges or obstacles to taking these actions:

Strategies to prevent/overcome challenges:

Support needed (from colleagues, peers, and/or the Funders Alliance):
